

CEEPUS network application:

- **HOW TO fill in your tendered traffic, your scholarships within a network**

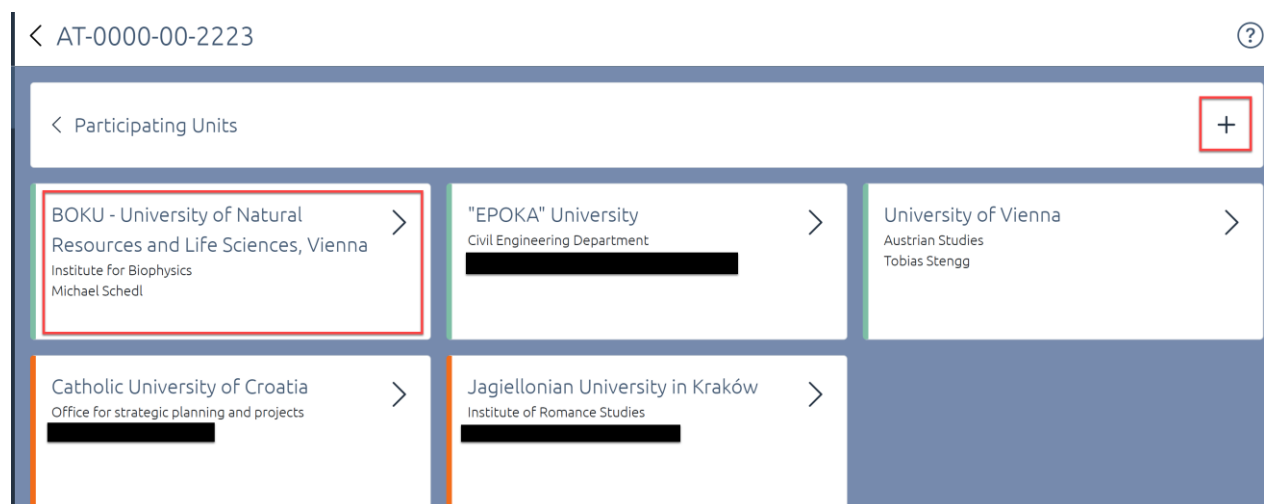

In CEEPUS scholarships are summarized under the wording “traffic”.

You need to apply for the incoming traffic for each participating unit separately.

You can only apply for incoming scholarships for each unit.

This is called tendered traffic.

Choose a unit from the prolonged network application or add a new one by pressing +:

< AT-0000-00-2223 ?

< Participating Units +
